

WHO IS KCT?

Kenya Credit Traders (KCT) is Kenya's largest hire purchase company with over 50 shops nationwide. We stock a wide range of quality household products such as electronics, furniture and kitchen appliances. We also sell selected hardware items and light commercial equipment including generators, water pumps, salon equipment, power saws, solar panels and much more.

We offer affordable **Hire Purchase** terms for all our products so that you, our customer, can buy an item and use it as you continue paying affordable monthly installments. The purchased item acts as our security and so you do not need to give **KCT** any other security. The item is yours once you finish paying off all the installments.

Our **Customers** come from all walks of life and include business people, farmers, teachers, doctors, government employees, people in informal employment and many others.

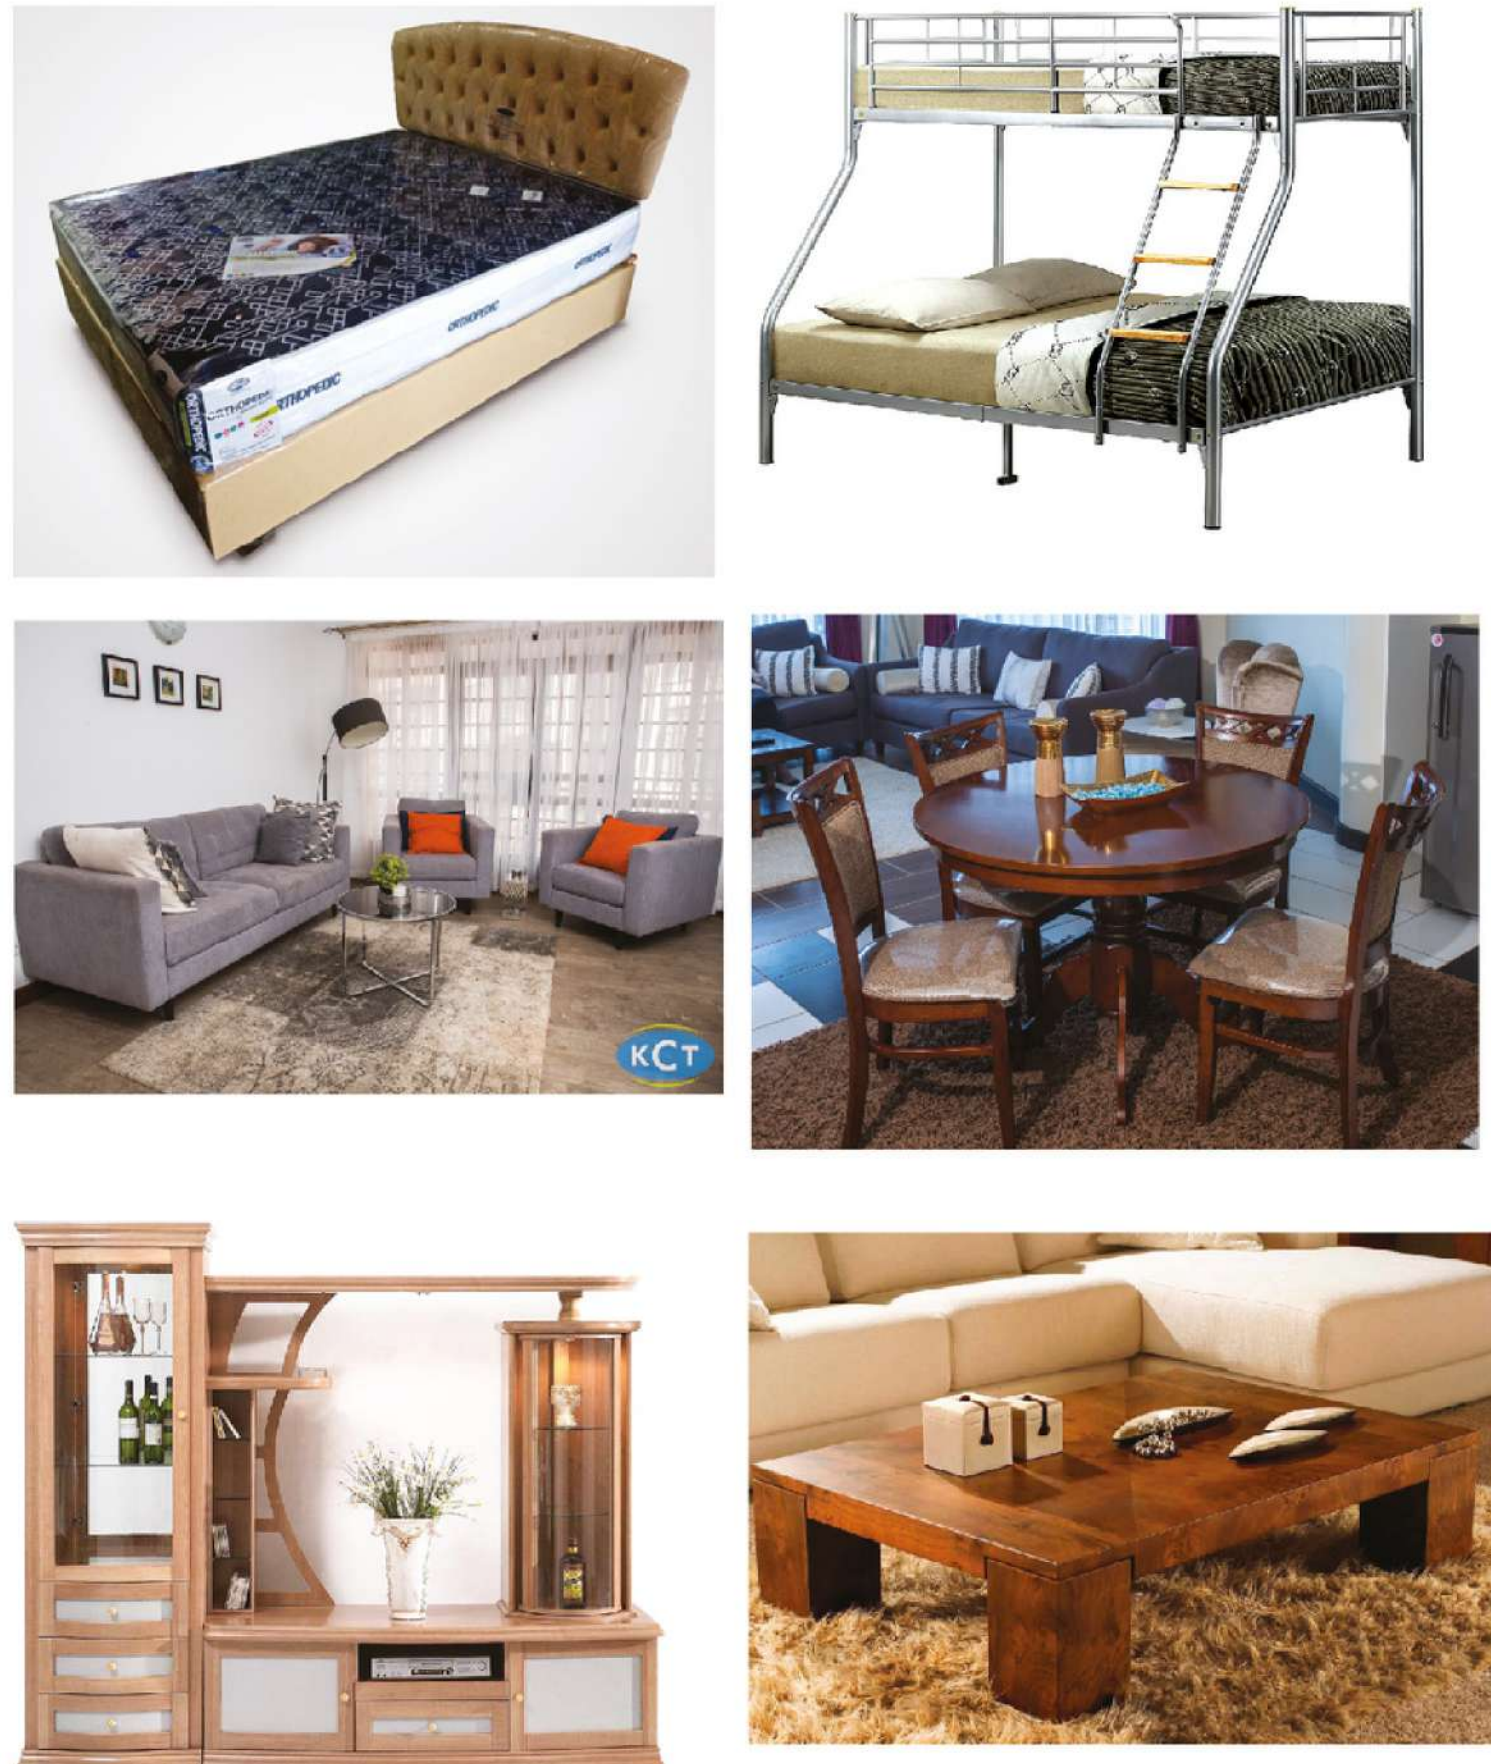

You are our customer!

BUYING FROM KCT

There are several ways you can buy from **KCT**:

Check off arrangement

All you need is:

1. Latest pay slip and National ID
2. Guarantor with the same particulars

After filling and submitting necessary HP documents authorizing your employer to deduct monthly installments from your salary, you will have the item without paying any deposit.

Ordinary Hire Purchase

Anyone can buy from us under this category. All you need is:

1. Have a verifiable regular source of income
2. Be an adult Kenyan citizen
3. Provide a suitable guarantor

Our staff are available to answer specific queries to enable you to complete the purchase of any article.

Cash Purchase

All our items are also available on cash basis. You can pay instant cash price for any article and go home with it or deposit money in installments with **KCT** and collect your article when you complete the marked cash price.

Flexible Delivery

You can purchase an item from one **KCT** branch and collect it from another branch in the country at no extra cost. For example, you can buy in Mombasa and collect in Kisumu, Kitale, Eldoret, Nyeri etc. This way, you can furnish your rural home while working in a different town.
